

Druglizer LE5

drug tester

Australia's premier Oral Fluid tester for onsite screening verified to **AS/NZS 4760:2019**

Alcolizer Technology is one of the world's leading manufacturers of alcohol breath testing and drug test devices. For over 30 years industry, law enforcement agencies and personal users have trusted Alcolizer to keep themselves and their employees safe.

Launched in 2017 the Druglizer LE5 Drug Tester has become the portable system of choice in the Australian and New Zealand markets for rapid drug screening of oral fluid due to its speed, ease of use and zero-downtime calibration.

- ✓ Verified*, fast and easy to use
- ✓ Portable, hand held electronic drug tester
- ✓ Results displayed clearly, on-screen, from 90 seconds
- ✓ Bluetooth connectivity to AlcoCONNECT for data management
- ✓ Verified against the screening cut-offs in AS/NZS4760:2019

*Druglizer LE5 is now verified against the screening cut-offs indicated in Appendix C3 for on-site devices in AS/NZS4760:2019 (AMP, BZO, COC, MET, OPI).

**NOW VERIFIED.
USE THE BEST.
