# Wall Mount 4
## alcohol tester

**Your result is**
**0.000** g/210L BrAC
Remember, the general limit for driving in Australia is 0.050

## INDUSTRY'S MOST ACCURATE WALL MOUNT BREATH TESTER

- ✔ Fast testing of high volume workforces
- ✔ Efficient, reliable, durable operation
- ✔ Highly configurable to your Drug and Alcohol program
- ✔ Instant results delivered to management
- ✔ Self calibrating every 24 hours
- ✔ Serviced by factory trained technicians

**Alcolizer Wall Mount 4 delivers superior breath testing solutions and is trusted by commercial and heavy use industrial customers around the world.**

### KEEP YOUR WORKFORCE AT WORK WITH ACCURATE, FAST READINGS

Alcolizer Wall Mount 4 (WM4) operates 24 hours a day in conditions ranging from 0°C to 40°C. With on-board NATA Certified gas and daily auto self-calibration, WM4 is arguably the most accurate alcohol breath tester, day-in, day-out anywhere in the world. Australian Standards certifies Alcolizer to service annually and still comply to AS3547:2019.

WM4 processes up to 240 workers an hour with an instant response time on a zero BrAC test. WM4 is the only wall mounted breath tester on the market today running unparalleled connectivity options supported "out-of-the-box" with a Programmable Colour Screen.

WM4 integrates with various third party workforce management and access control solutions via connectivity including (but not limited to): Keypad, Swipe card, WIEGAND, Live Secure Reporting, USB and multiple RS232 ports.

### SERVICE AND SUPPORT

A network of established factory trained service technicians and Alcolizer authorised distributors are available to provide expert support. We know our equipment is a critical component in ensuring the health and safety of your workers, site visitors and assets.

Our AlcoCARE™ program and our factory trained technicians can support your equipment either on-site or back-to-base – whichever is faster and most cost-effective for you.

### SITE CONFIGURABLE TO SUIT YOUR DRUG & ALCOHOL PROGRAM

Designed to support your Drug and Alcohol programs, WM4 is highly configurable from simple self-test stations to comprehensive alcohol test sign-in systems.

WM4 integrates with your site management system and delivers relevant data live to your desktop by sending an email when an exception test occurs.

### STANDARD FEATURES

- Self calibrates every 24hours
- Instant recovery for zero test
- Unlimited testing
- Ethernet interface
- RS232 serial ports
- 24 month warranty
- Colour LCD display
- Strong durable transit case
- LAN connectivity in every model
- Customisable screen messages
- ISO 9001:2015 Certified Company
- Developed and manufactured to AS3547:2019

### UPGRADE OPTIONS

- Numeric key pad
- QR Code Reader
- Swipe Card Reader
- Identification camera
- Cellular data connection
- Printer – Paper and label types
- AlcoCONNECT ™ Data Management
