RESULTS	▶ Email reporting and alerts
RECOVERY TIME	▶ Instant for 0.000 BrAC readings (retained on-screen for 10 seconds)
DISPLAY	▶ Three decimal BrAC reading on 25cm (10") colour graphics LCD screen
MOUTHPIECE	▶ Standard straws
CALIBRATION	▶ Automatic calibration every 24 hours (NATA certified gas)
OPERATING TEMPERATURE	▶ Range 0°C to 40°C
POWER SUPPLY	▶ 100-240V ~50/60Hz 75W
WEIGHT	▶ 18kg
DIMENSIONS	▶ 560mm H x 390mm W x 190mm D

Why Alcolizer Wall Mount?

KEEP YOUR WORKFORCE AT WORK

Operating 24 hours a day in conditions ranging from 0°C - 40°C with on-board NATA Certified gas and daily auto self-calibration, WM4 is arguably the most accurate alcohol breath tester, day-in, day-out.

DURABLE & CAPABLE

WM4 processes up to 240 workers an hour with an instant response time on a zero BrAC test and unparalleled connectivity options.

CONNECTED FOR MAXIMUM CAPABILITY

Designed to support your Drug and Alcohol programs, WM4 is highly configurable from simple self-test stations to comprehensive alcohol test sign-in systems. Integrates to various third party workforce management and access control solutions.

SERVICE AND SUPPORT

Backed by a 24 month warranty and supported by our AlcoCARE™ program. Our global network of service providers and factory trained technicians provides rapid return calibration and expert customer support.

CALIBRATION

Requires 12 monthly calibration as per Australian Standards Certification requirements.
